Committee to Honor America's Veterans
Gordon H. Coulson
7385 Balmore Drive
Sunset Beach, NC 28468

Mr. Coulson,

Thank you very much for visiting our rotary club to present a program about the Veteran's Memorial coming to Sunset Beach Town Park. The work you and your group are doing for this very worthwhile endeavor will be appreciated by persons for generations to come.

The Rotary motto is "Service Above Self". As Rotarians we are very proud of our efforts to improve our communities by serving others and enhancing the lives of local youth in our area. The work you are doing to honor persons that truly know the meaning of SERVICE is above and beyond what we know as service. Veterans are absolute in their service to our country and their efforts benefit our world for the better. This project is a great way to show recognition and appreciation for veteran's service to our country.

Our club is proud to endorse and assist as possible to make this memorial happen. Thank you and your group for this tremendous effort.
